REINER

The MP-series of *jetStamp*-Family

The Flexible...

Electronic handstamp. Prints one or two-line impression with text, number, date and time, quickly and quietly on all even and uneven surfaces, forms, bundles of documents and envelopes.

Print with the MP-Series of the *jetStamp*-Familiy special surfaces like metal and plastic too. The special quick-drying ink prevents from smearing on stamped items.

The MP-Series of *jetStamp*-Familiy is specially qualified for marking on:

- Industrial or manual produced parts of metal and plastic
- Affixing of best-before date on glossy boxes

NEW: now for stamping on metal and plastic
